Subject: - Final extension for updation/approval of marks of Engg. Drawing/ Practicals on the NCVT MIS Portal for exam held in Sept-Nov 2021.

Sir,

As you are aware that the uploading of marks of Engineering Drawing and Practicals on the NCVT MIS Portal is extremely important for timely declaration of results of AITT under CTS. It is observed that some States/ SPIU did not approve the marks on Engineering Drawing and Practical which resulted in non declaration of trainee's result. This has been taken very seriously by the Secretary, MSDE .

Upon request by State directorate NCVTMIS portal has been opened again for the last . NCVTMIS Portal will be open from 12.03.2022 to 22.03.2022 for Nodal ITI and till 26.03.2022 for SPIU approval. Request for further extension of the dates will not be entertained.

Yours Sincerely,

Director (TTC)/ Controller of Examination
